

Disclosure Statement

(1) Every submitted article should state the sources of financial support for the particular research it describes.

While completing this research, Carey (but not me) received support from the Robert Wood Johnson Foundation Scholars in Health Policy Research Program. This support is stated on the cover page.

(2) Each author of a submitted article should identify each interested party from whom he or she has received significant financial support.

There are no interested parties from whom I have received significant financial support.

(3) Each author should disclose any paid or unpaid positions as officer, director, or board member of relevant non-profit organizations or profit-making entities.

I hold no paid or unpaid positions at relevant organizations or entities.

(4) The disclosures required above apply to any close relative or partner of any author.

Neither my partner nor any close relative has received significant financial support from any interested parties nor holds any paid or unpaid positions at relevant organizations or entities.

(5) Each author must disclose if another party had the right to review the paper prior to its circulation.

No other party had the right to review the paper prior to its circulation.

Institutional Review Board (IRB) Approval
