

August 25, 2015

I, Roberto Perotti, hereby declare that I have no relevant or material financial interests that relate to the research described in my paper “Is Government Spending at the Zero Lower Bound Desirable?” (joint work with Florin Bilbiie and Tommaso Monacelli), which I have submitted for possible publication to the American Economic Journal: Macroeconomics. I also declare that, since September 2014, I am Economic Advisor to the Italian Prime Minister.

Yours sincerely,
Roberto Perotti
