Disclosure Statement

Manuscript title: Promoting Female Interest in Economics: Limits to Nudges

I acknowledge financial support for this project from an Oregon State University FY19 Learning Innovation Grant. I acknowledge provision of confidential data from the Oregon State University Office of the Registrar. A condition of data use was non-disclosure of confidential information, though the Office of the Registrar did not require review of results prior to publication. I have no other relevant or material financial interests that relate to the research described in this paper.

Human subjects research approval for this project was obtained from the Oregon State University Institutional Review Board, study #8402.
