

Disclosure Statement: Melanie Wasserman

“Up the Political Ladder: Gender Parity in the Effects of Electoral Defeats”

January 7, 2021

1. Sources of financial support for the research.

There are no external sources of financial support for this research.

2. Each interested party from whom he or she has received significant financial support, summing to at least \$10,000 in the past three years, in the form of consultant fees, retainers, grants and the like.

I have not received more than \$10,000 in the past three years from any party.

3. Each author should disclose any paid or unpaid positions as officer, director, or board member of relevant non-profit organizations or profit-making entities. A “relevant” organization is one whose policy positions, goals, or financial interests relate to the article.

I do not hold such positions.

4. The disclosures required above apply to any close relative or partner of any author.

No spousal or family-related potential COIs of which I am aware.

5. Each author must disclose if another party had the right to review the paper prior to its circulation.

No other party had the right to review the paper prior to its circulation.

6. IRB approval

This project uses publicly available data and does not require IRB approval.
