

Unfortunately, my coauthor, Emmanuel Farhi, tragically and unexpectedly passed away at the end of July, 2020. I, David Baqaee, am submitting this disclosure form on his behalf.

This constitutes the Disclosure Statement by Emmanuel Farhi for the paper, “Keynesian Production Networks and the Covid-19 Crisis: A Simple Benchmark”

This project did not require IRB approval.

Emmanuel received funding from the NSF while working on this paper. To the best of my knowledge, he had no financial or non-financial interests to disclose at this time.
