Jean Lee served on an expert group contributing to the design of the COVAX facility and provided advice to various government agencies and international institutions on vaccine-funding mechanisms. None of these positions was paid. In addition to this, in her capacity as a Senior Economist of the World Bank Lee served as co-lead Sherpa to the international community for vaccine finance and led the early design of the Bank’s financing for vaccine purchases and distribution. Lee declares that she has no other relevant or material financial interests that relate to the research described in this paper.
