To the Editor:

This paper did not involve the collection of data on human subjects. For this reason, the authors did not seek to obtain Institutional Review Board (IRB) approval.

This project was partly funded by the Ministry of Education in China (17JJD790004). I did not sign any non-disclosure agreements with any of these funding agencies. None of the results of this paper have been reviewed by any funding agency.

Finally, I have no relevant or material financial interests that relate to the research presented in this paper.

Respectfully,
