**Paper Title: Convincing the Mummy-ji: Improving Mother-in-Law's Approval of Family Planning in India**

To Whom it May Concern:

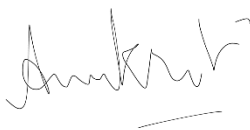

The author declares that she has no relevant or material financial interests that relate to the research described in this paper. She maintains no positions in any relevant organization whose policy positions, goals, or financial interests relate to the article.

This project was supported by a Northeastern University Tier-1 Grant and funding from the Human Capital Initiative at the Boston University Global Development Policy Center.

Ethical approval for the trial was granted by the Northeastern University Institutional Review Board and in India by the University of Delhi Research Council.

This study was registered in the AEA RCT Registry (AEARCTR-0003283).

Sincerely,

(S Anukriti)
