

## **How Early Adolescent Skills and Preferences Shape Economics Education Choices**

### **Disclosure statement by Lenka Fiala**

- My research was funded from my Nova School of Business and Economics (Nova SBE) discretionary research budget.
- I was primarily involved with the UProg data part of the project; the project gained Institutional Review Board (IRB) approval from the University of Chicago under project number IRB14-1210.
- There are no potential conflicts of interest either for myself or members of my family.
