**Re: Disclosure Statement for Manuscript JEL-2023-1736, “Generative AI for Economic Research: Use Cases and Implications for Economists”**

Dear Editor:

I, Anton Korinek, have received financial support for this research from the Brookings Institution, from Longview Philanthropy, and from the University of Virginia’s Darden School of Business.

The views expressed in this article are my own.

A handwritten signature in black ink that reads "Anton Korinek". The signature is fluid and cursive, with the first name "Anton" and last name "Korinek" clearly distinguishable.
