

Disclosure Statement for

“Who is Financially Constrained in their Choice of Contraceptive Method? Lessons from M-CARES”

The M-CARE study was generously supported through grants awarded by Arnold Ventures and the NICHD (R01HD100438). The study team gratefully acknowledges the use of the services and facilities of the Population Studies Center at the University of Michigan (P2C HD04128) and the California Center for Population Research at UCLA (P2CHD041022). Bart was supported by an NICHD training grant to the Population Studies Center at the University of Michigan (T32 HD007339). The data agreement involves a request for review of the findings prior to their release by a third party.

Martha Bailey declares that she has no relevant or material financial interests that relate to the research described in this paper.
