

Disclosure statement by Evelina Björkegren regarding "Remote Instruction and Student Mental Health. Swedish Evidence from the Pandemic." (AEJPol-2022-0699)

The research behind this article has not received direct funding from any sources but the database used is part of the research program “Covid-19 in Sweden: Infection tracing, control and effects on individuals and society” at Stockholm University. The program has received financial support from Sweden’s Corona Commission and from the Bank of Sweden Tercentenary Foundation.

Since April 2022 I have worked as an independent civil servant at the Swedish Ministry of Health and Social Affairs. My duties do not include questions related to the current research study.

Ethical approval has been granted by the Swedish Ethical Review Authority (Etikprövningsmyndigheten). Original approval number 2020-06492, updated 2021-01115, 2022-01355-02, 2022-06118-02.

Evelina Björkegren

Department of Economics, Stockholm University
