

Disclosure statement for “Organized voters: Elections and public funding of nonprofits”

Source of financial support

This work has been supported by a public grant overseen by the French National Research Agency (ANR) as part of the “Investissements d'Avenir” program within the framework of the LIEPP center of excellence (ANR11LABX0091, ANR 11 IDEX000502).

Data on campaign spending has been generously shared by Yasmine Bekkouche and Julia Cagé. Other data we accessible for free online.

Paid or unpaid positions

I have had no position, either in a not-for-profit or a for-profit organization whose policy goals or financial interests relate to this article. This also applies to my partner and relatives.

Third-party review of the paper before circulation

No third party has been reviewing this paper prior to its circulation.
