**Disclosure Statement for “Digital Information Provision and Behavior Change: Lessons from Six Experiments in East Africa”**

Michael Kremer, University of Chicago

Funding that supported one or more of the experiments in this paper was received from ATAI, 3ie, the Dioraphte Foundation, Unorthodox Philanthropy, 3ie, PxD and an anonymous donor. Project data was shared by 1AF.

I am an unpaid board member of PxD, a 501(c)3 non-profit. No financial compensation was received from PxD while working on this study.

A handwritten signature in black ink, appearing to read 'Michael Kremer', with a stylized, cursive script.

Michael Kremer
