Disclosure Statement for Philipp Kastrau

Paper: “Promotions and Productivity: The Role of Meritocracy and Pay Progression in the Public Sector”

This project was conducted with financial support by UK aid from the UK government (through the Economic Development and Institutions initiative), the Rockefeller Foundation (through the IGC), and J-PAL’s Governance Initiative.

The author declares that he has no relevant or material financial interests that relate to the research described in this paper. There are no conflicts of interest.

Sincerely,

A handwritten signature in black ink, appearing to read 'Kastrau', with a stylized flourish at the end.

Philipp Kastrau
