

Disclosure Statement

This disclosure statement is for the paper, “Strategic Thinking Skills: A Key to Collective Economic Success.”

1. The funding for this research was provided by a Tier 1 research grant from the Singapore Ministry of Education (MOE) (16-C244-SMU-002), Creative-Pioneering Researchers Program through Seoul National University, and the Ministry of Education of the Republic of Korea and the National Research Foundation of Korea (NRF-2021S1A5A2A03064205). The Singapore Life Panel data collection was financially supported by the Singapore MOE Academic Research Fund Tier 3 grants (MOE2019-T3-1- 006).
2. The IRB approvals were obtained from Singapore Management University (IRB-16-150-A043(417)) and Seoul National University (IRB No. 1702/003-008).
3. I have not received any significant financial support from interested parties, in the form of consultant fees, retainers, grants and the like. I also have not been provided in-kind support of any kind in relationship to the project from “interested” (as defined by the AEA) parties.
4. I do not hold any paid or unpaid positions as officer, director, or board member of “relevant” (as defined by the AEA) non-profit organizations or profit-making entities.
5. The above disclosures apply to my close relatives and partner.
6. No other parties have had the right to review the paper prior to its circulation.
