Title: “The Long-Run Impacts of Mentoring Underrepresented Minority Groups in Economics”

Author: Trevon D. Logan

I have no relevant or material financial interests that relate to the research described in this paper, however, I would like to acknowledge that from July 2019 to July 2024, I served as the Associate Director/Director/Co-Director of the AEA Mentoring Program, which was supported by the National Science Foundation (NSF Award Number 2021600, PI: Marie Mora), through which I received funding support.
