

Disclosure Statement for the article

**A Stepping Stone Approach to Norm Transitions**

For the research described in the submitted manuscript I have received financial support from the following sources:

MIUR Grant FARE (Project R16N72X5P9, CUP J42F17000280001)

The study was approved by the Ethics Committee of Bocconi University (Protocol No. 70131-3 and 7 - 18/07/2018).

I have not received any financial support in the form of consultant fees, retainers, grants and the like from any interested party, where an “interested” party is any individual, group, or organization that has a financial, ideological, or political stake related to the article.

I do not hold and have not held any paid or unpaid positions as officer, director, or board member of relevant non-profit organizations or profit-making entities. A “relevant” organization is one whose policy positions, goals, or financial interests relate to the article.

The above disclosures also apply to any close relative or partner of mine.

No other party had the right to review the paper prior to its circulation.
