

Re: The Long-Term Effects of Income for At-Risk Infants: Evidence from Supplemental Security Income

Disclosure Statement of Sarah Miller

The data used in the manuscript "The Long-Term Effects of Income for At-Risk Infants: Evidence from Supplemental Security Income" are proprietary and the data owners had the right to review the study prior to its release. The review was primarily to ensure that the confidentiality of the data was not compromised and that the data source was not misrepresented. The author declares that she has no relevant or material financial interests that relate to the research described in this paper.

A handwritten signature in black ink, appearing to read "Sarah Miller". The signature is fluid and cursive, with the first name "Sarah" and last name "Miller" clearly distinguishable.
