To Whom It May Concern:

The author of ***Electric Vehicles and the Energy Transition: Unintended Consequences of a Common Retail Rate Design*** declares that they have no relevant or material financial interests that relate to the research described in this paper. The data was provided by FortisAlberta under a non-disclosure agreement. FortisAlberta had rights to review material prior to publication with refusal acceptable only in the case of protecting any confidentiality. No refusals were made at any time.

Sincerely,

A handwritten signature in black ink, reading "Megan R. Bailey". The signature is written in a cursive, flowing style.
