

Disclosure Statement

June 14 2019

The results using datasets accessed onsite in DANE offices (Colombia's National Department of Statistics) were reviewed by DANE to ensure no confidential information was disclosed.

IRB approval was not obtained since the project did not involve human subjects research.

I have nothing else to disclose.

Nick Tsivanidis

A handwritten signature in black ink, consisting of a stylized 'N' followed by a series of loops and a long horizontal stroke.
