

Disclosures, Mark Shepard,

“Understanding Medicaid Managed Care: The Procured Competition Model,” *Journal of Economic Perspectives*

1. Sources of financial support for the research

This research was supported by faculty research funds from Harvard Kennedy School that paid for research assistant time.

2. Potentially relevant professional and financial relationships in the past 3 years:

- Harvard Kennedy School (faculty salary)
- Research grants from National Institute on Aging:
 - “Healthcare Decision-Making and Outcomes for People Living with Alzheimer's Disease” (P01AG005842 via the NBER)
 - “Improving Medicare in an Era of Change” (P01AG032952 via Harvard Medical School)
- Research grant from NIHCM Foundation (“Evaluating Automatic Enrollment into Marketplace Coverage During the Unwinding of the Medicaid Continuous Coverage Policy”)

3. Paid or unpaid positions of relevant entities.

None

4. Spousal or family-related COIs

My spouse works for the RAND Corporation on contracted projects advising the Centers for Medicare and Medicaid Services (CMS), the federal entity that oversees Medicaid.

5. Each author must disclose if another party had the right to review the paper prior to its circulation.

No party had the right to review this paper prior to circulation.

6. IRB approval

This project did not use human subjects data and was therefore not submitted for IRB review.
