

Disclosure Statement

The authors declare that the submitted manuscript “Lack of Uniform Prices or Lack of Uniform Retailers?” is not financially supported by any individual, group, or organization.

The paper also relies on proprietary data from NielsenIQ. In particular, we use the Consumer Panel and Retail Scanner datasets provided by NielsenIQ. The use of these data was made possible through a data use agreement and is subject to strict confidentiality and privacy protections. Although the raw data cannot be made publicly available, we can provide all the replication codes and detailed instructions necessary to reproduce the results from the raw data.

All authors declare that they have no conflicts of interest to disclose.

Sincerely,

Seula Kim
